List of Add-on Courses offered by the College

The College has started various Certificate Courses with the aim of enhancing and enriching the students learning experience in the college and to bring about a more holistic approach to learning as well as to nurture and develop the necessary skills for the selection of the careers.

Objectives of Courses

- To add on various specialized skills and increase employability and entrepreneurship for students.
- The objective of introducing the Add on courses is to enhance the livelihood skills, language, communication skills, and aptitude and empower the students for self-employment and also make them readily employable.

Courses Outcomes

- Enhance their professionalism at work
- Acquire additional skills of learning

Courses are classified into three groups A, B, C and D. Students need to select any one course at the time of admission.
