Subject: Implementation of Suggestions for Curriculum Enhancement

Suggestion 1. Incorporation of Indian Personalities in Case Studies

Action Taken:

In response to the suggestion from board members to enhance the curriculum by incorporating Indian personalities in case studies for holistic development, we have successfully integrated the names and contributions of Indian freedom fighters into the case studies.

Suggestion 2. Inclusion of Business Plans in Curriculum

Action Taken:

Following the recommendation from Jitesh Pujari, an ex-student, regarding the implementation of business plans developed as part of the Entrepreneurship Development (VSC) curriculum, we have revised the course structure to include a segment on business plan design. This addition allows students to apply their theoretical knowledge in practical scenarios, fostering a hands-on approach to entrepreneurship and improving their readiness for real-world business challenges.
