ORGANIZING

“21 DAYS READING CHALLENGE”

FROM 2ND FEBRUARY-2023 TO 28TH FEBRUARY-2023

Reading is incredibly important! It nourishes the brain by snapping the neurons into action so it can process and break down information. The mind is encouraged to take a pause for ideas and insights when a person is reading a book. For this reason, it is essential for students to become readers. For a student to become a great reader, they should be encouraged to develop their reading skills.

- In order to inculcate reading habits among our college students, we are organizing a '21 Days Reading Challenge' as announced jointly by our college Library, Department of English and Readers club.
- Students are asked to choose a book that they have to read from our college library collection and highlight the synopsis, message conveyed and what they liked about the book.

Objectives:-

- To inculcate reading habits among our college students
- Encourage the participants to draw out conclusions from their reading.

For this purpose the students are required to sit in the library only, as per their convenience time only after lecture is over.

Process for the participation:-

- Students of all the sections have been requested to participate in the activity.
- The participating students are permitted to sit in the library and read the book only after all the lectures are over.
- Students willing to participate are required to enroll themselves in the given format.
- Students can choose any book /s from our collection / or bring his own book.
- Students are required to submit their I card with the book card to the Librarian and start their reading.
- After completion of reading, the student is required to submit / return the book everyday to the Librarian.
- Students are required to maintain the daily record of his / her reading in the given format and take the signature of any library staff / Librarian.
- On the 21st Day, on 28th February-2023, the participants are required to submit a review of the book they have read.

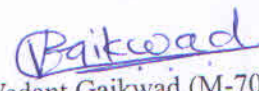

Outcome:-

- The participants may get the joy of reading the books as per their interest.
- Prizes would be given to 03 best Book Reviews.
- Certificates would be awarded to all participants completing the challenge.
