2. What is the most usable success strategy you gained?

That would be the secret that I came to know about the UPSC Exam, that they are not 'Difficult' but rather 'different.'

3. What could be improved?

I think that the presenter should give some more of his personal experiences because we could certainly tell that he has a lot to show.

4. List any suggestions to improve the workshop

More presenters can share their experiences other than that everything was almost perfect.

5. Please suggest topics for new workshops

Talk about the portion of the exam, interview questions asked, how to behave in front of the panel.

6. If you were to tell someone about this event, what would you say?

I would say that this is a good insight into the civil service.
