

Department of Accountancy

Report: 2020-21

In the current pandemic situation, Department mainly acted in virtual mode for interaction with students. Online lectures were started far earlier than the dates declared by the university so that students will remain in touch with subjects and portion can be revised and given due justice even though it was online, the students were given online quizzes to practice MCQs and short questions assignments were also given to grasp the content of the chapter in depth.

Department organized a webinar in association with Indian Accounting Association, on 9th June, 2020 on 'choosing the best option between old & new income tax slabs by individuals'. It was a quality initiative to make teaching and nonteaching staff aware about using latest Income tax Amendment for tax planning. Keynote speaker CA Santosh Ghag, HOD, Jaihind College, Mumbai, speaker of the day CA Mr Sagar Jayawant, Dr Nishikant Jha from Indian Accounting Association shared their presentations and thoughts.

Department organized a Poster making competition on digital Payments on 18th January 2021 for the students. 47 students participated in it. Department was instrumental in collaborating with The Institute of Chartered Accountants of India for holding CA exams and other guidance. As per the initiatives taken by Department earlier, 'Tally Package Training' is organized this year also in campus under the aegis of the skill Development programme of Govt of India and with the help of self-financing division of college.

All members of the department were instrumental in taking revision lectures for 2019-20 batch of TYBCom students and conducting online preliminary exams, online quizzes for them. Remedial lectures for ATKT students were also taken by the members.

For regular students of batch 2020-21 along with online lectures MCQ practice, by uploading MCQs on college website or through class quizzes and home assignments were given. Study notes, Power point presentations were shared through students whatsapp group or Google classroom.

A Guest lecture was organized for BCom Taxation students on 10th April 2020 on Place of supply concept in GST.

Quiz contest was organized for Advance learners on budget provisions on 15 April.

PPT competition was organized for Taxation students of BCom in the third week of April.

The members of the Department actively participated in college administration work as follows:
