

## **Department of Accountancy**

### **Report : 2021-22**

In the current pandemic situation, Department mainly acted in virtual mode for interaction and thereafter in hybrid mode. Online lectures were started far earlier than the dates declared by the university so that students will remain in touch with subjects and portion can be revised and given due justice even though it was online, the students were given online quizzes to practice MCQs and short questions assignments were also given to grasp the content of the chapter in depth. A PPT presentation from students was also arranged on Union budget, 2022 along with other subject related PPTs. As experiential learning students were also asked to do Audit report analysis of big companies. An Open Book subjective test on all subjects of the department was arranged From 1<sup>st</sup> April to 5<sup>th</sup> April 2022 and preliminary examinations were conducted from 11<sup>th</sup> April to 13<sup>th</sup> April 2022 for TYB Com students.

Department organized a skill enhancement course of 36 hours in association with The Institute of chartered Accountants of India, WIRC branch on June 2021 where 72 students attended the course. The course covered Social and business etiquette, personality development, business communication, E-filing under income tax, GST, Knowledge of excel audit tool, TDS under audit and introduction of Tally.

In-charge of the Department organized a Poster making competition on digital Payments on 18<sup>th</sup> January 2021 for the students 47 students participated in it, Department was instrumental in collaborating with The Institute of Chartered Accountants of India for holding CA exams and other guidance. As per the initiatives taken by Department earlier, 'Tally Package Training' is organized this year also in campus under the aegis of the skill Development programme of Govt of India and with the help of self-financing division of college.

All members of the department were instrumental in taking revision lectures for 2019-20 batch of TYBcom students and conducting online preliminary exams, online quiz for them. Remedial lectures for ATKT students were also taken by the members.

For regular students of batch 2020-21 along with online lectures MCQ practice, by uploading MCQs on college website or through class quizzes and home assignments were given. study notes, Power point presentations were shared through students whatsapp group or Google classroom.

A Guest lecture was organized for BCom (Taxation) students on 10<sup>th</sup> April 2020 on Place of supply concept in GST.

Quiz contest was organized for Advance learners on budget provisions on 15 April.

PPT competition was organized for Taxation students of BCom in the third week of April.
