

Sheth N.K.T.T. College of Commerce and Sheth J.T.T. College of Arts, Thane

Report of Mentor mentee system 2019-20

- Mentors selected student leader for the smooth functioning of the system.
- Mentors informed mentees about the institution's vision, mission and objectives.
- Mentors informed students about attendance norms
- Exam pattern of external examination was informed.
- Discipline norms were informed.
- Mentors encouraged students to study and clear their ATKT exams and also to participate in extracurricular activities.
- Mentors informed students about availability of text books and reference books for the benefit of students through various schemes of library.
- Doubts were solved in the concerned subject and for other subjects they were motivated to contact concerned subject teachers
- Feedback was taken from students
- Students were guided to focus on developing knowledge, competencies, and confidence during the year which is needed to succeed in their life.
- They were taught to identify their strengths and weaknesses to enable them to perform and excel. Their weaknesses were analyzed and they were motivated to overcome these during mentor: mentee meetings taken.
- Students were encouraged to take part in class cleanliness competition, Halloween day event and the event to represent state cultures organized by Art circle.
- In online meetings during lockdown period mentors informed them about University of Mumbai circular regarding examination, ATKT examination, result declaration, online admission and fees payment. Mentors also encouraged them to participate in various free online courses conducted by various institutions and to participate in various quizzes and other competitions and to pursue their hobbies along with taking care of their health.
