

Annual Gender Sensitization Action Plan 2020-21

Women Development Cell (WDC) of the college in association with different departments or committees organized various activities every year for the promotion of gender equity to ensure fairness of conduct for both women and men as per their various needs.

The activities proposed under Gender sensitization action plan of 2020-21 are as follows –

1. National Level 'Short Term Course on Legal empowerment of women'

This STC will be open for all sections of the society.

Tentative Duration – 1st term of the academic year 2020-21

Objectives –

- a. Creating awareness of legal rights of women among all sections of the society
- b. Empowering the women with respect to some acts prescribed in Indian constitution.

Outcome – Awareness of different laws will help women to take the reference of these laws to protect themselves from any harassment in their personal and professional life. At the same they can able to use the same as and when required in their emergency situations.

2. Webinar Series on "Empowerment of Women"

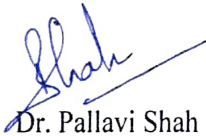

This webinar series will be exclusively conducted for women.

Tentative Duration – 2nd term of the academic year 2020-21

Objectives –

Women empowerment with different perspectives like gender equality, entrepreneurship, self-defense, health and hygiene, self-confidence, Yoga session etc.

Outcome – There will be all-round development of Women in terms of self-defense, self-confidence, yoga and entrepreneurship.
