## LEARNING RESOURCE CENTRE (LIBRARY)

### Guest Lecture On

## “Career Opportunities the Field of Library & Information Science”

Pursuing a career in Library & Information Science offers numerous benefits and plays a vital role in today's digital age i.e. information driven society.

To make awareness about the career opportunities in the field of Library Science, in collaboration with the Student Council, our Learning Resource Center organized a guest lecture on career opportunities in Library and Information Science (LIS) on Thursday, September 19, 2024. The session aimed to:

- Inform students about the diverse career paths in LIS.
- Encourage attendees to consider a career in LIS by sharing success stories.
- To offer students an opportunity to connect with professionals in the field.

To provide valuable guidance to our students, we invited Mr. Pralhad Jadhav, Associate Director (Library) at Khaitan & Co., Mumbai, as the guest speaker.

The program, which began at 10 a.m. in Room No. MMS04, was attended by Vice-Principal Dr. Manoshi Bagchi, Students Council Convener Prof. N. N. Varade, Librarian Mr. Rajesh Lule, and over 60 participants.

During the session, Mr. Pralhad Jadhav engaged students in a conversation about career choices, drawing connections with popular cinema “**Three Idiots**”. Through this interactive discussion, he emphasized the importance of making career decisions at the right time. He highlighted the wide range of opportunities in LIS, especially in the digital era, and encouraged students to consider beginning their journey with a certificate course in LIS, potentially advancing to a Ph.D.

His talk underscored that, regardless of academic background, the field of library and information science offers promising prospects for all.

### Expected Outcome:-

- Students will gain insights into career opportunities, thus enhancing their understanding and preparedness for the job market.
- Establishing connections between students and professionals may lead to internships or job opportunities.
- Increased interest in the field of Library and Information Science.

  
Librarian  
Mr. Rajesh B. Lule

  
Council Convener  
Mr. N.N. Varade

  
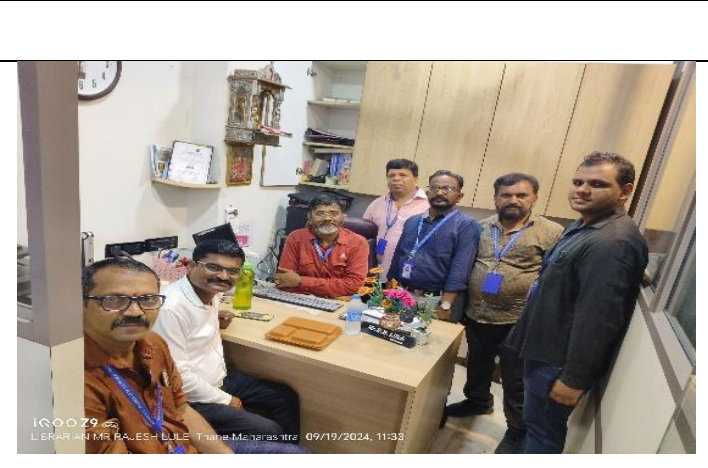

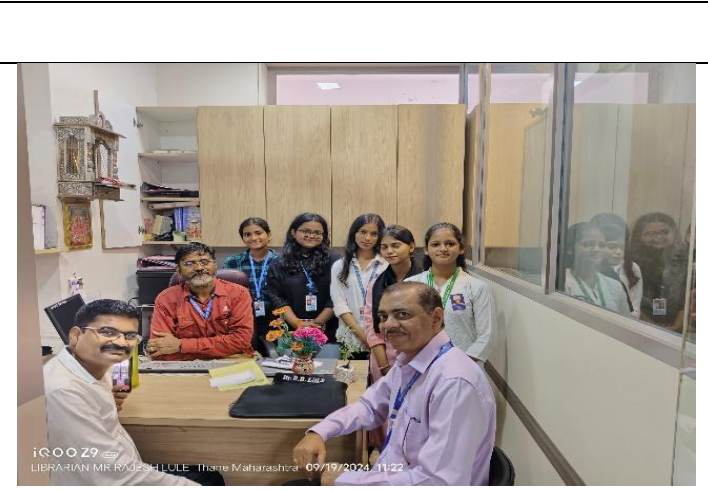

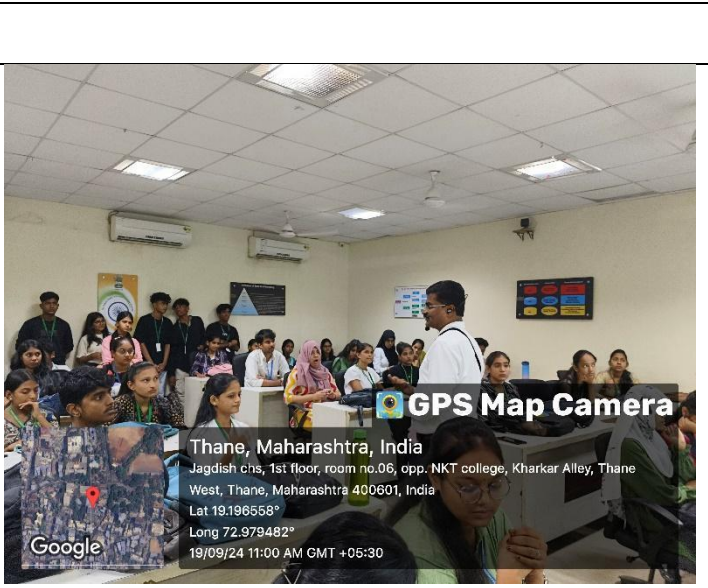

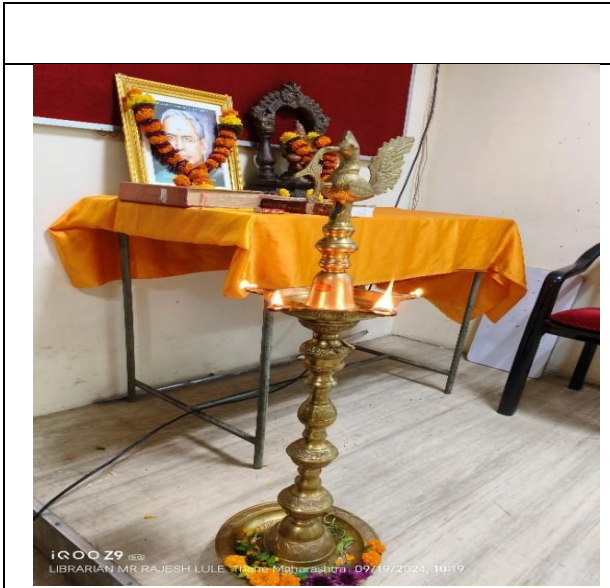

Principal  
Dr. Dilip M. Patil
