Remedial Teaching Committee

Year 2020-21

Objectives

1. To deliver remedial teaching to learners who, for one reason or another, have fallen behind the rest of the class in the subjects.
2. To enable students to overcome their learning difficulties and fulfill their educational psychological needs.
3. To develop learners memory power, level of motivation, short span of attention in work situations or associated behavioural problems.
4. Above all, to motivate learners overcome depressional attitude owing to encounters of failure help achieving distinguished personality.

Quality Policy

Remedial classes act as motivational channel, to be implemented in systematic and disciplined manner, to overcome learners cognitive disabilities. Through remedial lectures, efforts will be directed to encourage learners to continuous study, participate in co-curricular activities, develop personality and achieve exponential level of confidence. Ultimately, learners will be directly or indirectly focussed to achieve their goals and may lead to change in thinking attitude.

Functions

- 1 To conduct remedial lectures, sometimes, with the use of information technology.
- 2 To motivate and teach learners to learn according to their own pace, help them cultivate the habit of self-learning, so that they will benefit from such training for throughout life.
- 3 To encourage learners to think positively and overcome cognitive disabilities in a disciplined manner.

Activities

- Additional remedial classes started for the students of the entire college who are weak in studies to help them perform well in their academic sessions without having to pay anything extra for these classes.
- Persuaded and motivated teachers to agree for the voluntary conduct of these classes for the benefit of the weaker students.

Expected outcomes from the activities of the committee

The advantages of remedial teaching can help students gain general knowledge to apply to all subject areas.

The instruction may also help reduce feelings of inadequacy that can lead to behavior or motivation issues.
